

Two-column story table

Narrative (voice)	<i>Images, media</i>
Once upon a time there was a student who wanted to tell a digital story, but she just didn't know what to talk about. She wondered a lot- what would be most interesting to her? To her audience?	<i>Image of me, wondering</i>
That night at dinner she asked her parents if they had any good stories. They told her about her grandparents, and her early days as a baby (very embarrassing), and on and on. Still, it wasn't what she was looking for.	<i>Image of family dinner</i> <i>Me, embarrassed</i>
So, she went to see a psychic...	<i>Psychic, myself huddled around crystal ball, spooky music playing.</i>
