

TELLING YOUR STORY

The book you have requested has been withdrawn in anticipation of my new book, *Digital Stories in the Classroom: A Telling Experience*. **Projected publication date: Fall, 2006.** In the meantime, feel free to download my PowerPoint presentation, which provides highlights of the new book:

- **PowerPoint:** www.jasonohler.com/powerpoints/dst-master.ppt
- **Or go to the storytelling site:** www.jasonohler.com/storytelling

Information about **keynotes, workshops, publications** can be found at www.jasonohler.com

That's the story. Comments always welcome.
